

PLATINUM CAMBER CASEMENT

This stylish cousin of the traditional Casement makes a distinctive statement. Your eyes will be drawn upward and around the curves, while maintaining the function and features of our Casement window. Armor Casement windows are made with 40+ years of know how. Custom Armor Casements are made to suit your needs.

Armor casements in a standard 3 1/4" frame depth can be customized with various jamb options.

Triple weather seals made from santoprene rubber and schelegal prevent air and water leakage.

Fusion welded sash and frame with multi-chamber design for added strength and insulating value.

Opens to a full 90 degrees for both convenient cleaning and maximum ventilation.

FIXED CONFIGURATIONS AVAILABLE.

Like all Casement windows, the Camber Casement is available in an in-operable, fixed configuration.
